Viña Zorzal Garnacha 'Malayeto' Navarra 2016

- 94 Punkte Robert Parker's Wine Advocate

"It's a bright ruby colored red, wine with tons of spices, herbs, flowers, notes of bay leaf, thyme and a bright personality. It has a light to medium-bodied palate with unnoticeable oak (it matured in well-seasoned, neutral oak foudres and barrels), with complex stone minerality, a dry and long finish. This is really delicious and a very good value. This is a real bargain, one to buy by the case." - Luis Gutiérrez

Villa Matilde 'Cecubo' Roccamonfina Campania 2013

- 94 Punkte Robert Parker's Wine Advocate

"A blend of Primitivo and Piedirosso, the 2013 Cecubo is a dark and plummy red wine with thick textural richness, firm structure and a full-bodied approach. This wine possesses power and luscious fruit layers that drive it over the palate." - Monica Larner

Fattoria Carpineta Fontalpino 'Do ut des' Toscana 2015

- 94 Punkte Robert Parker's Wine Advocate

"This is a Bordeaux-inspired blend made with Sangiovese, Merlot and Cabernet Sauvignon. The 2015 Do Ut Des is a hearty and darkly concentrated expression that is layered, rich and beautifully concentrated. This wine works exceptionally well in a vintage like 2015 that had a warm summer season. The wine's appearance is black and impenetrable. The aromas span from pressed rose to spice and leather. This wine shows big ambition with a delicate disposition." - Monica Larner

Alonso del Yerro Ribera del Duero 2013

- 93 Punkte Robert Parker's Wine Advocate

"The 2013 Crianza was produced with Tempranillo grapes from their organically-farmed vineyards in the village of Roa in Ribera del Duero. It fermented in stainless steel tanks with indigenous yeasts and matured in oak vats and barriques

between nine and 15 months depending on the lot. It has bright red fruit and floral aromas, with an herbal twist, in a Rhône way." - Luis Gutiérrez

Caliterra Tributo Malbec 'Pétreo' 2016

• 93 Punkte Robert Parker's Wine Advocate

"It is from a special part of the vineyard where the soils are different and seem to mark the wines with great freshness and a sense of minerality on the palate. The vines were planted 12 years ago on granite, schist, basalt, quartz and iron soils, and the grapes fermented with indigenous yeasts in clay amphorae from Spain and used oak barrels, where the wine matured for 18 months. This is a special range because the soils are different and the slope is quite protected from the afternoon sun, so the grapes ripen slowly. There is a flinty minerality here that is intermixed with the fresh fruit from the variety and the floral aromas and flavors." - Luis Gutiérrez

Xavier Vignon 'SM' Côtes-du-Rhône Non Vintage

• 94 Punkte Robert Parker's Wine Advocate

"The NV Côtes du Rhône S.M. is thrilling stuff. Made from equal parts grenache and syrah and aged half in concrete and half in barrel, it offers a full-bodied, voluptuous and decadent style to go with overflowing notes of plum and darker fruits, licorice and violets. Gorgeous on all counts, it's a shockingly good Côtes du Rhône to drink over the coming 4-6 years, although I wouldn't be surprised to see it last even longer." - Jeb Dunnuck
